## *Chillounge Night*

Posh Palm Avenue hosted Bacardi's Chillounge Night, a debut event for the **Sarasota Conservation Foundation**. Partiers of every age streamed onto the avenue, which had been converted into a glam outdoor lounge with sofas and daybeds and nonstop entertainment, including a Brazilian samba parade with dancers in feathers, costumes and even thong bikinis. People shopped, looked at art, crowded around the food stations and sipped martinis and more until late into the balmy night.
