Dear Rainer,

Congratulations on the success of the Chillounge Night event. Every comment from the public was positive and you could see it in the faces of the crowd. Everyone was smiling and laughing and very appreciative that Downtown Sarasota could have such an event happen here instead of in Miami or Tampa.

As a merchant, I was very thankful for all your efforts. I paid nothing towards the evening, and yet we had thousands of people come thru the gallery from 6 to 11 pm and we had more than five thousand dollars in sales. Also, the set-up and clean-up of the event went off flawlessly.

I wholeheartedly support the continuation of the Chillounge Night event for the future and hope very much that you will use Palm Avenue South for the event. Thank you very much for your tremendous effort of time, money, and risk to pull off such a wonderful and purposeful event. I was heartened to hear that \$9,000 was raised for conservation efforts. Palm Avenue and the City of Sarasota are most fortunate to have you here working to improve our community.

Sincerely,

Brian O'Connell  
Executive Director
